

Greetings North Creek Forest friends!

As fall has whispered its way into October we invite you to continue learning and partnering with [Friends of North Creek Forest](#) and [Cairn Brewing](#)! We've got some great events "on tap" all month long!

FNCF is thrilled and thankful to once again partner with Cairn for OktoberFOREST 2019 events! Cairn crafted a new 2019 Benefit beer for FNCF - Spruce Hugger! It's a red IPA infused with wild spruce tips and this limited release is available by the pint and 16-oz can! Cairn generously donates \$1 per pint and 4-pack of cans to FNCF all month long!

Hope you'll join us for some - or all! - of the upcoming events in Cairn Brewing's dog and family-friendly taproom in nearby Kenmore - and at Bothell's own North Creek Forest! Check out the FNCF website and our Facebook page for more info and to RSVP!
