

Making connections with other members and your community is key to your professional success. Get involved with Chamber events in the following ways...

I've Attended A Chamber Membership Orientation - Gather in a quieter setting to meet some of the Chamber staff and learn all about your Chamber benefits. Ask questions, meet a few other members, and enjoy a delicious lunch on us. [Check the calendar at www.BothellKenmoreChamber.org](http://www.BothellKenmoreChamber.org)

I've Scheduled My New Employees To Introduce Themselves At A General Meeting

All new representatives of your business are given the prime opportunity to introduce themselves and share key features about your products and services at the [Chamber's General Meetings](#). This event is attended by 65-90 people and a great chance to meet other members and remind us who makes a good referral for you. [View our Event Calendar at www.BothellKenmoreChamber.org](http://www.BothellKenmoreChamber.org) and help us meet your new employees!

I've Added More Chamber Events To My Calendar - People do business with those they know, like and trust and the only way they get to know you and keep your business top-of-mind is to meet you and socialize with you (aka networking.) [View our Event Calendar at www.BothellKenmoreChamber.org](http://www.BothellKenmoreChamber.org) and make it a priority to attend upcoming events. We offer events morning, noon and night, large and small throughout the year to fit your schedule and style!

I've Explored The Chamber's Committees - The Chamber offers several [Committees](#) to help our members become more engaged with topics and activities of interest to you and your business. [Take a look at our Committees at www.BothellKenmoreChamber.org](http://www.BothellKenmoreChamber.org), plan to attend a couple, and discover the benefits of working closely with other members toward common goals.

I'm Scheduled To Volunteer - Come network without the networking! Volunteering for a short shift at a fun community event is the best way to enjoy giving back to your community while working alongside others. Come build new friendships - we've got lots of opportunities for you! Email Maurita Colburn Maurita@BothellKenmoreChamber.org and let her know you're interested!

We're here to help... Have questions or need assistance?
