

Start here with your marketing benefits then click through to Steps 2 & 3 and take full advantage of all your Member benefits!

I've Completed My Online Business Directory Listing - Your business has received its own directory listing page at our website. [Do a search for your listing](#) as a potential customer and see how you are presenting. Our online Business Directory is visited by thousands every year! Put your best foot forward by adding a description, social media links, photos, keywords, and more. Edit your directory listing by [Logging in here to your Member Account](#).

I've Connected With The Chamber On Social Media

I've Added My Membership Badge To My Website - Your Chamber Membership badge verifies your Chamber Membership, and can be uploaded to your website and added to your marketing materials. Chamber Members are recognized by customers as supporters of our community and its economic vitality. Download your Membership Badge from inside your [Member Account](#). Once you're logged in click on the "Resources" tab.

I've Brought My Brochures To The Chamber Visitor Center & Plan To Bring Them To Events -

Bring your brochures to our office / [Visitor Center](#). We're happy to share your brochure when people visit us for local resources. And, plan to place your brochures on our Member Information Table at General Meetings and Luncheons.

I've Added My Events To The Chamber's Online Calendar - The Chamber's [Community Event Calendar](#) at our website is viewed by thousands every year. Increase exposure for your events by adding them to it. Your events will also display on your business directory listing under your News tab. To add events [Login here to your Member Account](#) & click the "Events" tab in the top center.

I've Submitted My News For The Newsletter - The Chamber emails a [newsletter](#) twice a month and you can request your news or event be considered for inclusion by [logging in here to your Member Account](#) & clicking "Newsletter Submission" on the left-hand side.
